Re: **WPRA Support for Avenue 64 Coalition's efforts to improve safety along Avenue 64**

The West Pasadena Residents' Association unanimously approved a motion supporting the Avenue 64 Neighborhood Coalition's proposal to improve safety along Avenue 64 in the Garvanza neighborhood.

This is a safety issue that must be addressed. Speeding and illegal vehicle maneuvers such as passing in the median and in the parking lane are well documented. There have been 6 deaths in last 15 years along this ¾-mile stretch of road.

We urge you to support the Avenue 64 Coalition in securing consensus and funding from both the City of Los Angeles and the City of Pasadena to implement solutions addressing the safety concerns along Avenue 64 from La Loma Road in Pasadena to Meridian Avenue in Los Angeles.

Thank you.
