Ms. Heidi Johnson, Head of School
Mr. Charles Loveman, Head of Facilities Committee
The Waverly School
67 W Bellevue Dr
Pasadena, CA 91105-2501

Dear Ms Johnson and Mr. Loveman,

The West Pasadena Resident's Association (WPRA) extends thanks to you for coming to our October board meeting and giving us an update on your plans for Waverly School. It is always gratifying when those wishing to expand residential and other developments inform us of changes contemplated for our neighborhood.

Waverly School has been a good neighbor and we wish you luck in your new expansion plans. It certainly appears that the needs of the city and the school are aligned with the plan to move the historic structure onto your campus. The concept proposal that you presented to our Board of Directors was favorably received. It appears that you have put substantial thought into restoring the historic house and planning ahead to mitigate parking and circulation issues.

The WPRA strives to support projects that will be a positive addition to our neighborhood. We look forward to hearing from you in the months ahead as you move forward and look forward to providing continued support.

Sincerely,

Audrey O'Kelley
President
